

JAFARY NEHEMIA MDEGELA

Ict Officer Ii (frontend Developer)

ABOUT

Frontend Engineer at Hamasa Media Group since May 2023. In this position, he leads frontend engineering efforts for digital innovation projects and collaborates with notable organizations like LHRC, TANGO, and USAID’s Heshimu Bahari program.

CAREER OBJECTIVE

To leverage my expertise in frontend engineering, web technologies, and digital innovation to build scalable, user-centric applications that solve real-world problems. I aspire to contribute to impactful projects in education, governance, and community development, while continuously advancing

JOB EXPERIENCE

ICT OFFICER II (FRONTEND DEVELOPER)

Jan 2023 – Present

Hamasa Media Group /
Journalism/Journalism/Media
Dar Es Salaam, Kinondoni
