RE: APPLICATION FOR THE POSITION OF ICT OFFICER II - SYSTEMS DEVELOPER

Dear Sir/Madam,

I am writing to **apply for the position of ICT OFFICER II - SYSTEMS DEVELOPER** at Mamlaka ya Vitambulisho vya Taifa (NIDA). My name is **Halidi Selemani**, a Software Engineering graduate from the **University of Dodoma**, with practical experience in systems administration, database management, and software development.

I have experience managing Linux and Windows servers, performing system installation, configuration, monitoring, and maintenance. I am skilled in database administration using **MySQL**, **PostgreSQL**, and **SQL Server**, as well as ensuring system security, backups, disaster recovery, and user access management.

In addition, I am proficient in software development using **React**, **Node.js**, **PHP (Laravel)**, **Java**, and **Python**, including API development, debugging, testing, and version control using **Git/GitHub**. I also provide ICT support, troubleshooting, and user assistance as needed.

I am motivated to contribute to SIDO by ensuring reliable and secure ICT and database systems. With strong analytical skills, attention to detail, and commitment to professional excellence, I believe I can add value to your ICT Department.

Thank you for your time and consideration. I look forward to the opportunity for an interview.

Yours faithfully,

Halidi Selemani Maneno
